

Product Specification Sheet

Targus CoolWave

Part #: AWE22US

Product Description:

The Targus CoolWave is a laptop cooling stand designed to support up to 17" laptops. The wave-like design allows air to flow freely from the laptop, keeping it cool during operation. The compact form factor fits perfectly in any home workspace and will hold the power cord in place. The non-skid pads grip the laptop and work surface for added stability.

Product Features and Specifications:

- **Features** - Multi-width adjustability accommodates laptops with 17" screens
- **Smart Design** - Air flows freely to cool laptop
- **Features** – Non-skid pads provides a stable work surface
